A Rare Masterpiece: Exquisite Living in St. Francis Bay Village

An exclusive listing brought to you by Harcourts

Step into this extraordinary north-facing residence and prepare to be captivated. It's rare that a home leaves me in awe, but this stunning gem is truly one of the finest properties I've encountered in St. Francis Bay Village in many years.

From the moment you enter, a serene ambiance welcomes you, setting the tone for the exceptional living experience that awaits. The grand double volume entrance opens to a spacious lounge, where the seamless flow of the home takes centre stage. The ground floor is a masterclass in open-plan design, meticulously curated by the current owners with an eye for detail.

The lounge, dining, and kitchen areas blend effortlessly, creating a space that feels both connected and expansive. Imagine gazing through one window at the lush, established trees...
